COLORADO™ 300i

Indonesian Version

Advanced GPS For PROFESSIONAL on Land or Water

The All New GPS Mapping COLORADO 300i

The Garmin **COLORADO 300i** is the most advanced handheld GPS from Garmin, designed for serious thrill seekers who also want a reliable device to guide them home.

With its unique **Rock 'n Roller™** one-handed thumbwheel, **use it on the trail, on the water, or on the road.** Built-in pressure, altitude and compass instruments will power-up your activities in any weather or terrain.

You can also swap route data wirelessly with others who share your spirit of adventures. In all extremes, explore more with the Garmin **COLORADO 300i.**

Featurings with Indonesian user-interface and language option. Especially for Indonesia zona region usage.
