Navigate with Your Automobile Audio/Video System

Jadikan TV / Monitor / LCD Mobil Anda Sebagai GPS NAVIGATOR

GVN Indonesia (BlackBox) menjadikan Audio/Video System Mobil Anda sebagai Street Navigator yang **Handal**.

Look up and route directly to specific addresses or **Point of Interest (POI)** - such as restaurants, hotels, gas stations, retail shops or ATMs - while viewing your exact location on detailed street maps. It even announces the name of exits and streets through your car's speakers so you never have to take your eyes off the road. Map graphics are shown on your system's integrated video display. **GVN Indonesia** comes bundled with detailed **Indonesia City Navigator® NT** map data.
